

Case

Personal assignment

According to RISE Certification rules for Innovation management professionals.

For your application for personal certification as an innovation leader, you must attach a personal assignment.

Describe a case you have worked or are working on which serves as a good illustration of your experience as an Innovation management professional. The case will be presented during the viva voce examination.

Case contents:

General

- Case title
- The role you did/do have in the case as Innovation management professional
- Contact details to a reference person

Part 1 – Descriptive text in response to the case's:

- Challenge/problem
- Outcome/impact
- Reflection/future

This part should run to no more than 500 words.

Part 2 – Implementation of the case based on your work via:

- External and internal context, opportunities, challenges
- Leadership
- Planning
- Support
- Process
- Evaluation/improvement

This part should run to no more than 1500 words.

The focus of the assignment should be your role and contribution to the implementation of the case.
