

## Status of review by TC-Q of NMIs quality systems on basis of ISO/IEC 17025

July 8, 2013

### Utdrag ur tabellen avseende olika metrologiinstituts godkända kvalitetssystem i EURAMET /TC-QUALITY

**Table 1 – Status of review.**

Note: the first four columns represent the status during the QS-presentations held; the last column reports the date of the presentation of the QS (P), the date of the presentation of the Final implementation report (F) or progress report (PR) when requested, and the date of the re-evaluation of the QS (RE).

Relevant changes with respect to previous approved version are highlighted in red (editorial changes are not highlighted).

Country and acronym of NMI	QS fully implemented ?	Confidence given ?	Questions to be answered ?	Actions to be carried out ?	Meeting dates
Sweden: SP	Yes	P: Yes RE: Yes RE 2: Yes, with minor questions. Status: action completed.	P: No RE: No RE 2: Yes, minor questions.	P: No RE: No RE 2: minor questions. Status: actions completed.	P: 3 <sup>rd</sup> , Vienna, 10-12 October 2001 F: not requested RE: 2 <sup>nd</sup> TCQ, Madrid, 22-23 February 2007 RE 2: 6 <sup>th</sup> TCQ, Beograd, 10 - 11, March 2011
