

# RISE Lignocellulose Workshop

Stockholm, 5 September 2019

## Schedule of the day

<b>08:30</b>	Registration & coffee
<b>09:00</b>	Brief intro to RISE organization
<b>09:20</b>	Tomas Larsson <i>Cellulose Group</i>
<b>09:45</b>	Ewellyn Capanema <i>Lignin Group</i>
<b>10:10</b>	Andreas Fall <i>Nanocellulose Group</i>
<b>10:35</b>	Lisa Skedung <i>Perception Group</i>  <i>"Texture, Tribology and Touch"</i>
<b>11:00</b>	Natalia Ferraz <i>Associate Professor, Uppsala University</i>  <i>"Towards the use of nanocellulose hydrogels in wound care"</i>
<b>11:35</b>	Lunch
<b>12:25</b>	Stephen Eichhorn  <i>Professor, Chair in Materials Science and Engineering, University of Bristol</i>  <i>"Gels from Nanocellulose"</i>
<b>13:00</b>	Orlando Rojas <i>Professor, Department of Bioproducts and Biosystems, School of Chemical Engineering, Aalto University</i>  <i>"Assembly of nano-polysaccharides and plant polyaromatics at interfaces"</i>
<b>13:35-14:35</b>	Facility tour

**Please RSVP before the 20th of August 2019.**
